R. SAMUEL HUNT III
SECRETARY

May 18, 1995

State Project: 8.2441701 (U-2520)
F. A. Project: STP-1400(2)
County: Cumberland
Description: SR 1400 (Cliffdale Road), From SR 1403 (Reilly Road) to US 401 in Fayetteville

Subject: Hazardous Materials Evaluation

The purpose of this report is to describe any potential environmental hazards that may affect the widening and construction of the proposed roadway. Geotechnical Unit personnel have conducted a field reconnaissance within project limits and have reviewed files of appropriate environmental agencies in order to identify any possible hazards.

Hazardous Materials Inventory

Underground Storage Tank (UST) Facilities

The field reconnaissance identified four (4) facilities with USTs within project limits.

1. Quick Stop #102
7910 Raeford Road
Fayetteville, NC

UST Owner: Quick Stop Food Mart, Inc.
P.O. Box 2427
Fayetteville, NC

Facility ID#: 0-032056

This facility is located in the southwest quadrant of the US 401/SR 1400 intersection. There are three USTs registered with the NCDDEM on the property. They are located on the eastern extent of the parking area, approximately 63 feet from the SR 1400 centerline. Each tank is used to store approximately 10,000 gallons of gasoline.

2. Quick Stop #81
8215 Cliffdale Road
Fayetteville, NC

UST Owner: Quick Stop Food Mart, Inc.
P.O. Box 2427
Fayetteville, NC

Facility ID#: 0-028888

This facility is located in the southeast quadrant of the SR 1400/SR 1402 intersection. There are three 12,000 gallon USTs registered with the NCDDEM at this site, each used to store gasoline. The tank bed is located on the north side of the station, between a car wash booth and the pump island canopy. The tanks are approximately 105 feet from the SR 1400 centerline and 73 feet from SR 1402.

3. The Pantry #456
8191 Cliffdale Road
Fayetteville, NC

UST Owner: The Pantry, Inc.
1801 Douglas Drive
Sanford, NC

Facility ID#: 0-012310

This facility is located in the north east quadrant of the SR 1400/SR 1402 intersection. There are four USTs registered with the NCDDEM, each used to store 10,000 gallons of gasoline. The tank bed is located on the south side of the station, approximately 95 feet from the SR 1400 centerline.

4. The Pantry #302
736 South Reilly Road
Fayetteville, NC

UST Owner: The Pantry, Inc.
1801 Douglas Drive
Sanford, NC

Facility ID#: 0-012298

This facility is located in the northwest quadrant of the SR 1400/SR 1403 intersection. There are four USTs registered with the NCDDEM, three used to store gasoline and one to store kerosene. The tank bed is on the north side of the building, approximately 126 feet from the SR 1400 centerline and 95 feet from SR 1403.

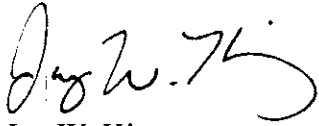

Additional right of way acquisition should not be allowed to encroach upon the USTs associated with these facilities. Purchasing properties with USTs may expose the NCDOT to the liabilities associated with their leakage, removal or abatement.

Other Potential Environmental Hazards

No other potential environmental hazards were indicated within the project corridor during the reconnaissance or records search. No landfills, dumpsites or Superfund sites were identified within project limits.

If you have any questions concerning this report or you require any additional information, contact this office at 250-4088.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jay W. King", with a stylized flourish at the end.

Jay W. King
